Dear Bhagavad Bandhus!

Throughout the ages we have been gifted with countless exalted works of great sages like the Vishnu Purana of Sri Parasara (considered as the pre-eminent jewel amongst the epics) , many celebrated epics of his illustrious son, Sri Veda Vyasa and many more; Works that brought about their experiences, works that revealed the cosmogonical secrets, sacred hymns, historical chronicles; the list is just endless. It is in the very nature of such enlightened souls to share their blissful transcendental experiences with all of us. In their propensity to effectuate welfare for the masses and relieve them from the bondage of karma, they have sacrificed countless years through unfathomable exertions and severe penances in bestowing us with such noble texts.

These epics and annals have unequivocally affirmed Sundara Kanda as the most efficacious gift that helps relieve mankind from the multitudinous afflictions caused by the cosmic influences. We are well aware of the fact that our Acharya Sri Sri Sri Chinna Srimannarayana Ramanuja Jeeyar Swamiji had conducted an year-long chanting of Srimad Sundara Kanda in order to confer peace, welfare and prosperity to one and all. This was organized as a sapta sarga parayana which involved chanting seven chapters each for 68 consecutive days, resulting in seven complete recitations of Srimad Sundara Kanda.

If such a sapta sarga parayana of 68 days were repeated seven times over a period of 476 days, it is denominated as a Maha sapta sarga parayana. Immensely fortunate we all are as we are about to receive this remarkably potent gem through our Acharya.

- This chanting has the power to
- \* accord predominance to the rulers,
  - \* longevity,
  - \* opulence,
  - \* marital bliss,
  - \* success in territorial and educational pursuits,
  - \* riddance from chronic ailments and much more.
  - \* equips the seekers with the fortitude,
  - \* perseverance and courage to accomplish their aspirations!

However it might not be feasible for every one of us to do this chanting 476 days at a stretch. Blessed we are that for our sake and on our behalf, our Acharya Sri Sri Sri Chinna Jeeyar Swamiji will be effecting this parayanam at Divya Saketam.

With the blessings of Sri Sri Sri Chinna Jeeyar Swamiji, Sri Sri Sri Ahobila Jeeyar Swamiji will be conducting this chanting at Divya Saketam. By 01.05.2016 the sixth eon of the sapta sargi would be consummated as a part of the Maha Sapta Sarga parayanam. Subsequently the seventh sapta sarga will be undertaken for 68 days from 02.05.2016 to 08.07.2016.

The itinerary for each of these 68 days will comprise of the following activities:

- Cow Worship (Go puja)
- Chanting of
  - \*Sankshepa Ramayana (concise version of Ramayana)
  - \*seven chapters of Sundarakanda earmarked for that day
  - \*seven chapters of Srimad Ramayana
  - \*four Vedas
  - \*one complete cycle of Sundara kanda
- Oblations in the sacred fires (Ho:mam) with the Sundara kanda hymms allocated for that day and Sri Rama manthra

Another striking aspect is that this schedule incorporates three complete recitation cycles of the four Vedas and the Nalayira divya prabandham. Over and above, there will be intonations of the Bhagavadgita, Sri Vishnu purana and Sri sukta. Each day will be further embellished with worship of the almighty through His 1008 names (Sri Vishnu sahasra nama), veneration of Mother Lakshmi using red turmeric powder (kunkumarchana) and the marriage ceremony (santi kalyanam) of Sita and Rama.

Every evening will be illuminated with the radiance of a thousand well lit lamps (sahasra deepalankarana). And one would get to cherish the Unjal seva where-in the Lord will be seated in a swing being swung gently to the cadence and euphony of the musical ensembles and dances. All in all, this carnival of Maha Santhi Sundaram is a consummate endeavor and a priceless marvel. We call upon everyone to take part in this blissful event and pray that the New Year endows all of us with peace, fortune and prosperity.
